Searching for a period property in Cale Green close to Davenport? Number 75 is situated less than a mile from Davenport village and Davenport train station. The A6 and motorway network are easily accessed too.

We think this home will appeal to you for many other reasons too; not least its four bedrooms, two good size reception rooms, excellent size bathroom/w.c., driveway and generous proportions wrapped in a quirky tapered layout which adds a characterful dimension to the home.

Clicked, we know, but seeing is believing with this home.

Pop in; neutral decor set off against an oak effect laminate floor enhances the sizeable hallway. A spindle balustrade staircase leads ahead to the first floor. To your right is the capacious lounge with an exposed brick fire place and an ornamental inset wood burner.

Back to the hall. On the left there is a downstairs w.c. The next room on the right is the dining room and to the rear is the kitchen. A door from the kitchen leads to the rear garden.

Up the stairs to the first floor landing where you will find four well proportioned and a bathroom/w.c. with four piece suite including a separate shower cubicle. Don't need four bedrooms? You may notice from the floor plan that scope exists to create a marvelous main bedroom.
