Have you been searching for a THREE BEDROOM SEMI DETACHED HOME in Great Moor which is conveniently located for amenities, schools, transport links or Stepping Hill Hospital? Would you ideally like a home with an open kitchen/ diner across the rear? Need a driveway and garden? A cul-de-sac location?

Welcome to number 3 Hurdsfield Road; it ticks all of these boxes!

For the commuter, number 3 is less than a mile walk to Hazel Grove or Woodsmoor Train Stations. It is also less than half a mile to Stepping Hill Hospital for all of you beloved NHS staff. The shops (including Asda, Sainsbury's, Aldi and M & S Food), restaurants, pubs and cafes in Hazel Grove and Great Moor are nearby too.

So, come in. Step into the welcoming entrance hall decorated in a neutral colour. Stylish LVT flooring flows through into the kitchen area ahead.

To the left a glazed panel door opens to the living room at the front of the property. Ahead, from the hall, a door opens to the kitchen area which is open, in a contemporary fashion, to the dining area. The two are stylishly separated by a peninsular unit with under counter drawers, storage and a wine cooler. The dining area features glazed panel double doors which open to the lounge. This room also features a wood burning stove. Close this room off for a peaceful evening by the fire or open the doors when a friends and family get-together spills over!

Beyond the dining room is the UPVC double glazed conservatory which opens to the rear garden. Whether it's a summer room, entertaining space, a winter haven, or play room, the conservatory blurs the lines between cosy inside space and the garden beyond.

Back to the hallway and ascend the stairs to the landing. Off the landing you will find three fitted bedrooms and a shower room/w.c.

To the front of the property there is a block paved drive. Scope exists here to extend the drive into the garden area. The drive leads to a wide path to the side of the property which leads, via a gate, to the rear garden.

To the rear there is a paved patio area with steps to a tiered patio area which extends into the lawn garden.

We think you will want to view this home and we look forward to hearing from you.
