Curzon Green, Offerton, Stockport, SK2 5DJ

Let number 29, a tidy THREE BEDROOM SEMI DETACHED HOME, located in a well regarded location on the green, spark your creativity. There is no onward here; bonus.

The property was lovingly lived in by its current owners from around 1955 and it is now ready for fresh eyes and an injection of energy. It is presented in a lovely clean and well kept order; a credit to the owners who, we understand, called number 29 their happy home for over 65 years! It's time for another chapter in its history. The potential is boundless here; let your creative juices flow.

Walk up the drive having first taken in the setting with the green in front of the property. Step into the entrance porch, a useful area for your shoes and coats. A double glazed door opens into the hallway. Stairs lead ahead to the first floor. Firstly, check out the rooms on the ground floor. The first door to your right leads to the living room to the front which overlooks the green.

Return to the hall and the next room on your right opens to the dining room. We say dining room, but the room is of course versatile. It has been used, as you will see, as a second living room.

The other room, ahead of you from the hall is the kitchen. Yes, the kitchen is of an age, but be amazed at the pristine condition of the units and tiles.

Re-trace your steps, then head upstairs to the first floor landing where you will find three bedrooms (the third bedroom a decent 2.38m x 2.3m) and the fully tiled shower room and the separate w.c.

To the front there is a tarmac drive which extends via a timber gate to the side of the property. Also to the front there is a lawn garden with a gravel border and planted edges.

To the rear, there is paved patio area with a planted bed and a lawn and planted borders. There is a detached garage too. Behind the garage there is a storage shed.
