Good sized two bedroom accommodation, fresh neutral decor, brand new carpets, an excellent size rear garden, a detached garage and a well regarded location await here at 36.

This home has been presented in new white decor throughout so it is a blank canvas ready to be accessorised or perhaps filled with some colours of your choice.

The property is conveniently poised close to the amenities of Great Moor and the A6 corridor and is alluringly close to Woodsmoor Train Station and Stepping Hill Hospital (both approximately half a mile away).

From the entrance porch, step into the living room to the front. The dining room is to the rear with a staircase to the first floor central between the two rooms. An arch opens to the kitchen. Included with appliances including a cooker, washing machine and a fridge freezer, the kitchen is functional and ready, but would benefit from a re-model (when time and funds permit!).

Head upstairs to the first floor where the landing is the gateway to a spacious front bedroom, a good size single bedroom to the rear and the four piece bathroom/w.c. (with a separate shower cubicle).

Bonus; the rear garden, mainly laid to lawn, is sizeable. To the rear of the garden (and accessed via Store Street) is a detached garage with a remote operated roller shutter door (light and power).

We think you will be intrigued by number 36 from the moment you step inside; give us a call and we will arrange a viewing for you.
