Size, space, versatility and value for money welcome you here at number 7, a well presented FOUR BEDROOM HOME laid out over three floors. There shouldn't be any queues when nature calls here, as we have a w.c. on each floor!

This home benefits from off road parking to the front and an integral garage too. Outside, to the rear, there is a garden with a patio area extending to a lawn.

So, pull up on the drive. Walk to the front door and cross the threshold into the hall, neutrally decorated which sets off the flooring. To your left, a w.c./ shower room. To your right, the integral door to the garage. Ahead, two rooms; the utility room and a bedroom (currently being used as a sitting area with a sliding patio door opening to the rear garden. Also on this floor there is a cupboard.

Climb the stairs to the first floor. Off the first floor landing you will find an excellent size living room to the front and the dining kitchen to the rear. There is a family bathroom on this floor too.

From the first floor landing climb the stairs to the second floor and off this landing discover three bedrooms. The main bedroom has an en-suite shower room.

If you seek even more space, then the garage is ripe for conversion (subject to the necessary authority and work)!

The property is just over one and a half miles from Hazel Grove Train Station and just over a mile to the amenities of Hazel Grove which includes supermarkets, cafes, independent shops and restaurants. Marple village is just over two miles away too.
