**\*\*No CHAIN\*\*** This deceptively spacious THREE BEDROOM DETACHED BUNGALOW is brimming with development potential and reveals its size and scope as you explore room by room. It is blank canvas of opportunity allowing you to mark it with your own creative vision and unique style choices to create a wonderful home.

Pull up on the drive. Note that number 173 is set back from the road and is thus afforded a decent sized, mature front garden. The drive extends to the side and leads to the detached garage. Walk over to the front door and step over the threshold into the entrance porch. A door opens into a spacious 'L' shaped hallway.

A door to the left opens to the sizeable living room to the front. Off the hall to the right, two double bedrooms. Around the corner, ahead there is a door to a bathroom/w.c. To the right, step into the dining room which has an opening to the kitchen. There is a utility room off the dining room and a conservatory too overlooking the lovely and mature rear garden. Of course, you are looking at the floor plan and imagining the possibilities for re-configuring this area to the rear of the property!

A staircase from the dining room leads to the first floor, a conversion that we understand was undertaken in the 80's. The stairs lead to a reception area off of which is a bedroom and a shower room/w.c.

Outside, to the front of the home is a driveway which leads down the side of the home. A lawn garden and mature shrubs/hedges sits beside this at the front.

To the rear there is a good sized mature garden comprising patio, lawn and flower / shrub beds. A greenhouse sits behind the garage and a small pond in front of the conservatory. This could be a sanctuary and a delight for those who enjoy gardening.

Has this home got the creative juices flowing? We'd be happy to arrange a viewing for you and await your call.
