Garth Road, Offerton, Stockport, SK2 5SX

Tucked away in a cul-de-sac, but not remote from transport links, schools, shops and Stepping Hill Hospital, this freehold THREE BEDROOM SEMI DETACHED HOME is presented in a characterful, warm and welcoming fashion. With off road parking to the front, a rear garden with an outbuilding (currently used as a home studio space), a kitchen diner to the rear with patio doors to the garden (in sought after fashion) and a re-fitted stylish bathroom, this home is worthy of a viewing.

Come in. You are greeted by the entrance hall with its stripped and varnished wood floor setting a comfy, rustic tone. Stairs lead ahead to the first floor. Before we venture upstairs, step into the living room to your right. This room feels snug; you can get cosy here. Another room is available from the hall; the kitchen diner. The dining area features stripped wood floor which runs to the tiled floor of the kitchen creating a marked division. Entertaining or running through homework with children is effortless here as you prepare a meal. When the weather permits, patio doors from the dining area open into the garden.

Trace your steps back to the hall. Ascend the stairs to the first floor. Off the landing you will find two double bedrooms and a single bedroom. We say single bedroom, but the owners currently have a king size bed in this room (nothing else, mind, just a king size bed!). Last, but not least, there is a re-fitted bathroom/w.c. featuring a modern stylish white suite with a double ended bath with a rain shower head over.

Outside, there is a concrete imprinted drive to the front. To the rear there is a lawn garden. There is an outbuilding (formally a garage back in the day) which has been used for many years as a home studio. This space is versatile. The outbuilding is split so that, at the rear, there is a storage area.

This home is convenient for local schools, parks and the amenities of Offerton. Stockport town centre is also in reach. The buzzing Stockport Market Place is just over one mile away! For local transport links the M60 junction is a short drive away and the home is well served by bus routes.
